## Sensational Senko Tips

THE INSIDE LINE EZINE

MONDAY, JUNE 12, 2000 - VOL. 1 NO. 1

WELCOME!

This is the premier issue of the Inside Line Ezine, a new email publication for bass anglers. Each week, we'll bring you some of the best bass fishing information from around the web! We hope you'll enjoy reading the Inside Line Ezine as much as we enjoy producing it for you.

THIS WEEK'S ISSUE:

This week's issue is all about the sensational Senko, a soft plastic jerkbait made by Gary Yamamoto Custom Baits. For tournament as well as recreational anglers. The Senko is currently one of the hottest lures across the country.
